

## Summary of Terms and Conditions

Trekker: Key terms and conditions We'd encourage you to read all the fine print as this is just a summary. Let us know if you want a copy in advance of picking up the vehicle. Otherwise, both you and Trekker will read and sign the Ts&Cs upon collection.

- Bookings are confirmed once the deposit is paid.
- You'll be liable for any charges incurred when hiring the Defender (such as tolls, tickets etc).
- It's up to you to make sure no harm comes to the Vehicle or anyone, and the Vehicle and tent etc is kept secure and returned in the same condition as when you pick it up.
- Whilst you're encouraged to take the Defender on an adventure, it isn't to be driven in rough terrain. Gentle offroading is fine as long as there's no risk of damage or the Defender getting stuck.
- Make sure you familiarise yourself with NZ road rules (keep left) and know the height of the vehicle with the tent on it (2.8 metres height).
- You can choose to return the Defender cleaned for a \$40 fee, or clean the Vehicle yourself.
- The cost of insurance is included in the Fee, but if a claim is made, you're responsible for the excess. The level of excess is the same as the bond you will pay before pick up.
- All deposits are final. No refunds will be issued.
